Kontest 10.0

Episode 8 of 8

The old saying goes, "Time flies when you are having fun." Playing Krypto is a lot of fun and time has flown by much too quickly since this is the last episode. After this week a winner will be determined. This Kontest looks like it will go down to the wire, so get ready to join the fun one more time. A prize of \$25 and a new calculator awaits. Today's answer is: 21. You are playing with: 5, 7, 19, 20, 3. Remember, you must use all 5 numbers, but each one only once, and any combination of addition, subtraction, multiplication or division to write an expression that equals the answer: 21. Take a few minutes to play and see if you can come up with a Krypto. So long.

WHAT'S SO PUNNY? PUN FUN

Howdy all you Punfunsters! It has been a short week or at least it seems that way since time is flying by. Time flying by always reminds me of the guy who threw the clock out of the window. When asked why he did that, he replied, "i wanted to see time fly." All rightie, that will get us started for this week's PUN FUN. Today we have a bevy of political jokes, despite the fact that we don't approve of political jokes since we have seen too many of them get elected. Zinger. Get ready for your knee slapping, funny bone jostling and knee slapping PUN FUN outing.

1. Con Job: The opposite of "pro" is "con" so the opposite of progress is Congress.
2. Lighten Up: Q: How many Congressman does it take to change a light bulb?
A: Only two...one to change the bulb and one to change it back again.
Did you get that?
3. Shhh...Don't Tell Anyone: The secret to making Congress more efficient, is to replace the people with horses. Sure, every vote would end up in "neighs", but, hay, at least the housing market would be stable.
4. Doo Doo or Die Die: What's the difference between death and taxes? Congress doesn't meet every year to make death worse.
5. Good For What Ails You: Republicans and Democrats came together in Congress to allow medicinal marijuana for the purpose of relieving arthritis pain. So, there is joint support for joints for joint support. Did you get that?

Well, it looks like it's time to blow this joint and call it a PUN FUN session. The good news is that there are always more puns to come, so come on back for more next time around. Keep your funny bone jostled, your knees slapped and ribs tickled. And don't forget to share your laughter. So long!

Into the Hills

By Donna Boecher

The first frost would come on schedule – the first week of November. Halloween would fall on Saturday and All Saints Day on Sunday. I had managed with Bart's help to build a shed from sapplings for Turko; it was downwind from the house. The woods around the house were no longer forbidding since she'd hacked wrist-size sapplings to clear the underbrush. They could see anyone approaching the house. In addition, they'd built Turko a shed which also sheltered: Fergus, a dozen

laying hens, and one Rhode Island Red rooster on a high roost. The Spring would bring chicks. She laughed at her thoughts - they were "rolling in eggs!" They'd have egg and cream rich pumpkin pie for All Saints Day. That made her mouth water. Bart had promised to help her prepare the lamb for roasting. Her favorite parts were the shanks and the ribs. Everyone was looking forward to the lamb. Once more she was blessed.

Marlene
Nov. 4, 1965 - March 19, 2024

Barbara Ann (Duncan) Teehee the daughter of Louella Duncan was born November 14, 1965, in Tahlequah, Oklahoma and departed this life on March 19, 2024, in Tahlequah, Oklahoma at the age of 58 years, 4 months and 5 days.

First off, everyone called her "Marlene". Marlene loved her family and enjoyed spending time with them. This included family game nights, going fishing at the creek, going to yard sales and everyday trips to Walmart with her sidekick S-gv-yi. She absolutely enjoyed time spent with her children and grandchildren. Her other hobbies were watching cooking shows, crocheting, word search puzzles, hunting wild onion, and crawdad hunting with her children. She loved watching Judge Judy, daytime drama, and football. Her favorite team was Kansas City Chiefs. She also loved the Arkansas Razorbacks. WOOO Pig Soovie!!! Razorbacks!!!

She really loved surprise visits from friends and family, and during these visits she always made sure no one left on an empty stomach. She enjoyed cooking and sharing meals with those who visited. The house was always full of laughter and joking around (she was the Queen of cut-downs; no one could ever roast her). Among other things you would feel while being in her presence was LOVE.

She was the most beautiful, kind-hearted, and completely selfless soul that you could ever meet; a true reflection of God's endearing love. She was a faithful member of Oak Ridge Baptist Church where she enjoyed singing with the WMU, and time spent with her church family. She was also grateful to be included in the Salem Baptist Church WMU prayer chain. She loved reading her

bible, sending encouragement and prayers to those who were in need whether it be in person, thru texts, or phone calls.

She was a loving wife to Albert for 40 years. They enjoyed fishing together, going to flea markets, four-wheeler riding, and cruising to Nicut store to get the best bologna or go to Sonic for brown bag special back in the day. They would prepare meals together indoor and outdoor on the old wood cookstove. Another tradition they shared was taking their children to the Annual Apple Festival in Lincoln, Arkansas; where they would later enjoy ice cream at the Dairy cup after the festivities. They also enjoyed watching the livestream of Snowda's basketball games together at home.

Above all things, praying together was an everyday tradition. Solidifying their marriage in God enabled them to be true beacons of faith, love, patience, and forgiveness. Showing all of us that no matter what trials life brings or how far we think we have strayed from God, His everlasting love is waiting for us; just like she will be. She will be dearly missed.

She was preceded in death by her mother Louella Duncan; her son Albert Wayne Teehee; her brother Andy Duncan; her sister Georgia Ann Thurber; and her sister Vanessa Duncan-Sawney.

She is survived by a loving family which includes her husband Albert Teehee of the home; her children Geronimo Teehee and companion Brittnee of Stilwell, Ashley Teehee-Mann and husband Marcus of Stilwell, Tiffany Teehee, Isaiah Teehee, and Jereasa Teehee all of Stilwell; her siblings Randy Duncan and wife Mary Ann, Brenda Duncan, and "Baby Brother" Jackie Duncan; Mandy and husband Sundown Watie all of Stilwell; her aunt Winnie Chuculate; her aunt "whom she loved as a sister", Betty Lou Galcatcher and husband Joe of Stilwell; her grandchildren Shaden, Gavin, Avah, Skeeter, Murphy, Greyson, Ariel, and Mathias. A special niece Channa Golden and her dearest friends; Amie Teehee, Joyce Hawk, Lucinda Duncan, Patricia Flood, Marie Soap, and Dennis Mink. Several nieces, nephews, friends and other relatives also survive her.

Ladena Faye Coleman
Oct. 31, 1977 - March 15, 2024

Ladina Faye Coleman the daughter of Frank and Sandra K. (Davis) Potter was born October 31, 1977, and departed this life on March 15, 2024, at the age of 46 years, 4 months and 15 days.

Ladina loved her family dearly.

She enjoyed working and loved her work family. She enjoyed watching TV and playing board games. She was a loving wife and mother. Ladina touched many lives over the years and will be dearly missed by all who knew and loved her.

She was preceded in death by her father Frank Potter and her sister Bridget Janelle Tuttle.

She is survived by a loving family which includes her husband Samuel Coleman of Muldrow; her children Elisha Samuel Wayne Coleman, Zachariah Teddy Coleman and Rihannah Faith Coleman all of Muldrow; and her mother Sandra Davis Potter. Several nieces, nephews, friends and other relatives also survive her.

COMMENTARY BY JOHN BANKEL
Today's Trail Treks To.....
Trying To Trash Trump

Edman Denny
 May 20, 1935 - March 21, 2024

Edman Denny the son of Harden and Kate (Brazuell) Denny was born May 20, 1935, in Stilwell, Oklahoma, and he departed this life on March 21, 2024, in Ft. Smith, Arkansas, at the age of 89 years, 9 months and 1 day.

Edman was a fisherman and he enjoyed mastering the craft of fish-

ing. He loved the Lord and served him faithfully. He enjoyed going to church and loved his church family. He dearly loved his family and friends and enjoyed spending time with them. Edman touched many lives over the years, and he will be dearly missed by all who knew and loved him.

He was preceded in death by his parents; his wife Okla Denny; and his siblings Perry Denny, Ulus Denny, Hugo Denny, Edwin Denny, Eugene Denny and Imogene Baker.

He is survived by a loving family which includes his stepdaughter Myrna Adair and husband John of Broken Arrow; three grandchildren and two great-grandchildren. Several nieces, nephews, friends and other relatives also survive him.

In what seems like forever, the democrats have relentlessly assailed Donald Trump in an attempt to eradicate him from the political landscape. They are deathly afraid of his charisma, a characteristic that Biden and his marxist mob lack. Make no mistake, the only thing the democrats are interested in is maintaining power. They have no interest in benefitting the American people. Indeed, they have done everything in their power to trash America. Donald Trump stands in their way, like a strong unbreakable pillar, a pillar that just does not want to crumble. In their current attempts to trash Trump, they are using the guise of justice via corrupt district attorneys and commensurately corrupt judges that gives the appearance of legitimacy to the unschooled. The courtroom fiascos that have unfolded are mind-boggling. Every device that these clowns have tried are backfiring. They are on the public dole wasting taxpayer money, but they do not care about that. A free ride is still a free ride. Just the other day, the NY court that

is trying hell-bent-for-leather to seize Trump's assets gave significant ground when the judgment of \$500 million was reduced to a "mere \$175 million." Plus they gave Trump 10 more days to raise a bond. The bond will allow President Trump to file an appeal. The lower court knows full well that Trump's chances to win on appeal are nearly certain. In that case, this fiasco will have played itself totally out. The other cases are sure to also fizzle and burn. President Trump will have once again withstood the democrats' Trying To Trash Trump.

Today's Trail has come to an end. Perhaps we will meet again around the bend, my friend. Meanwhile, may your Trail end up on the right side of the fence. Happy Trails to you!
